

LATEST STORM UPDATE AND TOWN ROAD CLOSURES

FROM THE WOODSTOCK TOWN HALL

(CURRENT OUTGOING PHONE MESSAGE)

Friday, November 2nd

2:55 pm

You have reached the Woodstock, CT Town Hall. Today is Friday, November 2nd and the Town Hall closed for regular business at 3 pm.

The First Selectman reports that the crews in Town all day are scheduled to be replaced with fresh crews later tonight. Be assured that work will continue throughout the weekend. Our Town crews will be available to support the CLP crews as needed. As of this recording, approximately 900 Woodstock homes still remain without power, and we continue to hope to see those numbers to continue to drop throughout today and the rest of the weekend.

The Transfer Station will be open Friday through Sunday from 10am until 4pm. Non-permit holders may dispose of food waste only but must provide proof of residency.

Marty's Liquors in Dudley is offering free ice. Call (508) 943-0101 for more information.

Please be certain you have reported your personal outage to CLP at 1-800-286-2000. Those of you who have power issues related to wiring between the pole and your home, or issues with the connection to your home should press 310 at the conclusion of this message for further information from the First Selectman's Office.

Our Red Cross Emergency Shelter remains on standby. Residents in need of a warm place to sleep should call 211 or contact the Red Cross Directly at 1-800-RED-CROSS.

Showers are available at the Hyde School from 9am to 2pm and from 4pm until 8pm and Saturday and Sunday, 9am-4pm. Showers are not available at Woodstock Academy over the weekend.

Further updates will be provided on this outgoing phone system message, the Town website at www.woodstockct.gov, and sent to WINY radio. Press 1 to reach your department or zero to leave a message in the general mailbox. Thank you.
